Dear Sir,

I am writing at the behest of my Mother, Mrs. Annie Clark. She doesn't have access to a computer and she wanted this to go out as soon as possible.

She lost her husband, my father 2 years ago from cancer that metastasized in his brain. Initially the cancer started in his lungs. He worked in factories and steel mills all his life in and around asbestos.

It seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct.

Sincerely,

Linda Clark (for Annie Clark)
